the compactor.

IF you need to dispose of  
other items please make  
arrangements at the  
office prior to disposal.

Please be reminded that  
you must register any  
guest and/or contractor  
before we can allow them  
access to the park.

Please remember to get your  
site cleaned up. It's required  
for everyone, but especially  
necessary if we mow your lot.

We can't mow your lot  
otherwise. It is our intention  
to mow on Tues, Wed, and  
Thurs every week. Please  
make sure all items are off  
your lawn on those days.  
Thank you in advance for your  
help.
