Hello LHV!!

We hope you all are surviving COVID-19 and stay safe and healthy!

We have some good news that will hopefully bring a little excitement to your life during this crazy and uncertain time!

1. Our staff is returning to LHV!!!!
2. The lawns are getting mowed!!!! Yay! It's Spring! (Red duck taped lawns are being included in the mowing).
3. The election is this year and we are thankful we are equipped with the proper technology to make this happen!!!!
4. We are putting in a transaction window so that we can better serve the LHV members!
5. 24 Mile Road is getting fixed! Calhoun County partnered with a private contractor to get the road patched up!

The LHV staff wants to thank you for your support and cooperation! We know this time has been unsettling and confusing to all of us and we are doing our best to get a plan together for when the Order is lifted. We will be updating the website with this plan for everyone to review and reference!

Hopefully everyone is enjoying this beautiful weather and we hope to see you all very soon!

Thank you!!!
